## **Curriculum Policy**

All children in our group will follow the guidance and framework of the new Statutory Framework for the Early Years Foundation Stage (2017)

Children with special needs will still work within this framework.

This framework is available to parents on request.

Parents will be informed at regular intervals of their child's progression.

Children will be observed through play activities and observations recorded.

Parents will be encouraged to contribute from their own skills, knowledge and interests, and be involved in sharing details of their child's attainments.
